Message from IAGP 2025

On behalf of the Organizing Committees of the 22nd IAGP International Congress, we cordially invite you to participate in the conference as a financial sponsor.

Welcome to the 22nd IAGP International Congress in Sapporo, Japan! We are honored to invite you to join us for a unique and enriching experience exploring the theme: "Groups and Global Crises: Challenges for People, Organizations, and Societies." In a world facing many challenges, our goal is to create a global forum that brings together diverse perspectives and theoretical approaches, fostering dialogue and knowledge exchange in the field of group psychotherapy and group processes. As we explore the impact of global crises on individuals, organizations, and societies, we aim to contribute new insights that will shape the future of group work.

Join us in Japan, a country renowned for its rich history, vibrant culture, and warm hospitality, the perfect place for facing the complexities of our world today and for exploring collectively the role of groups in fostering social health.

The Scientific Program Committee, a multicultural and diverse group of professionals, is creating a program that promises a rich composition of scientific activities, including small, medium and large groups, providing a unique opportunity to engage with other cultures, exploring social conflicts and fostering dialogue.

We would greatly appreciate it if you could provide us with kind support and cooperation in line with the objective and significance of the congress. We are certain that, as a sponsor, you will gain greater visibility among the world's top researchers and practitioners within this field. If you have any questions or suggestions for the conference sponsorship, please feel free to contact us.

We very much look forward to seeing you in Sapporo, Japan in August 2025!
